Maximum number of sheets of 80 g/m² paper. The maximum capacity in this case is 25 sheets.

Tool with metal functional parts

Robust stapling for permanently binding documents together.

Temporary stapling makes it easy to keep papers together for short periods. The advantage: staples can be removed quickly and easily.

For quick fastening: nailing.

This device can process staples of type 24/6 SUPER. A maximum of 100 staples can be inserted.

This device can process staples of type 26/6 SUPER. A maximum of 150 staples can be inserted.

Maximum stapling depth is 65 mm.

With the top-loading mechanism, the staples are inserted into the stapler after raising the top part.
